john,

i sure would like one of those pictures .could u mail it to me? i would really appreciate it if u could. sorry we havent been to to many of the reunions lately but we have no car, havent had one in over 5 yrs so we dont get around much anymore. i have been in the hospital a couple of weeks in the last few months with badly infected leg,and i had to have a blood transfusion and then they gave me the wrong blood ,then when they sent me home i went with a wheel chair because i developed arthritis so bad in my knees that i couldnt stand or walk for a while had to learn to walk all over again. i am getting around a little better at this time but still have problems with my legs. here is our address if u really do mean to send me one of those pictures........

About FamilySearch Pedigree Resource File

The Pedigree Resource File is a new lineage linked database of records available on compact disc containing family history records submitted by individuals through FamilySearch Internet Genealogy Service. Family information is organized in family groups and pedigrees and includes submitted notes and sources. Many charts and reports can be printed from this data. Each disc contains about 1.1 million names. With the publication of every five discs, a master index for those discs will be published and packaged with that set of discs. With the publication of every 25 discs, a master index for those discs will also be published and packaged with that volume of discs. Discs may be purchased as sets or volumes.

Robert Fletcher,

The information you turned in to the latter day saints is partly wrong.

Bruce Elsworth Brown and Beachie (Baker) Brown are my Grandparents. Bruce was born Dec.,27,1887 in Courtland , Jackson County Indiana,and died Oct.,01,1942 at R.F.D.Seymour,Jackson County Indiana.He married Grandma Beachie Baker Sept.,14,1912 at Hayden ,Jackson County Indiana.Enclosed is a copy of their marriage application, copied at Brownstown,Jackson County Seat Courthouse,Indiana.

Beachie Baker was born Feb. 2,1896 at Crab Orchard ,Garrard County Kentucky to Christian and Martha Farris (Adams) Baker.Beachie died on her birthday Feb.,2,1940 at Bedford Lawrence County Indiana.Beachie and Bruce are both burried at Mitchell,Lawrence County Indiana , along with Beachie's Sister Lola and three of their children.Charley Edward,Betty Jean and Leroy Brown all died very young.Bruce's parents : William Pratt Brown and Mary Etta Banks are burried beside him. Mary married Henry Draper after my Great Granpa William Brown died.

Bruce and Beachie's marriage application lists their parents . You listed bruce's parents as : Francis Marion Brown and Rula Adeline Rucker, They are not my Great Grand Parents. William Pratt Brown's Parents Were Thomas Brown and Mahalla Pratt. They were married in 1846 at Vernon Jennings County Indiana. Thomas was born in Indiana and Mahala was born in Kentucky.

Please contact the Later Day Saints Library and give them the correct information. They will not let me change the information , because I didn't give them the original information. Thanks !!!!!!

John David Brown

It's always nice to travel back a day or two into the past, to recall when you were a child and one of the greatest adventures in your young life was to go to grandma's house.

Mary Beliles of Wilbur recalls some of her fondest memories of her Grandpa Brown was riding in the back seat of his old green Chevy car, she said, "He always put me in the back seat behind him, and he chewed tobacco and when he would spit out the window, the wind would blow droplets of the tobacco back into my face. I also recall going with him to Poplar Grove Cemetery to sod the graves. These are my fondest memories of Grandpa Brown."

Carol Feeback said her fondest memories were, "Waiting for grandpa and grandma to go into town so we could sneak into the strawberry patch, as grandpa never allowed us to go into the strawberry patch. I also remember the large crock of dill pickles that was behind the door, covered with cheesecloth. This was the first place we headed for when we went to grandma's house. We'd remove the cheesecloth and stick our hands down into the crock and take out a big dill pickle to enjoy as we played. Grandma was the best cook going. Everything she cooked was delicious. Her fried potatoes would melt in your mouth."

Their mother Gladys said, "My fondest memory of Grandpa Brown was how he always "jumped" me for correcting my children. He thought they could do no wrong and they did not need correcting. Naturally, I thought differently and was always correcting my children."

We all know that grandparents are very special people and they also have the right to spoil their grandchildren. Thus, Grandma and Grandpa Brown were no different.

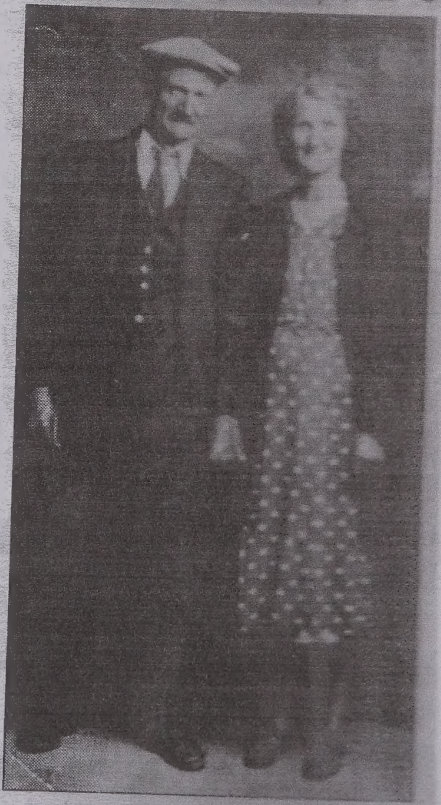
I know when I had my first born Ron his Grandpa Foster called him the flat headed Dutchman. He thought Ron could do no wrong, and he always used to tell me, "I can spoil him, then send him home with you." Luckily we lived in another state and he had little time to spoil Ron. We had control of him, so he wasn't badly spoiled.

I have many special memories of my Granny and they are as vivid to me as the morning horizon of each new day. One of the fondest of all was when she would get up on Saturday morning and go to her purse and check the coins she had tied in a handkerchief, (this was her coin purse). Then she would say, "Okay children, we have enough money to go to the "picture show" and to share one bag of popcorn. Now let me see how fast you can get ready to go into town."

We had to walk a distance of seven miles to town, but the miles seemed to melt away, as we took the shortcut, walking down the railroad tracks, listening to Granny sing old hymns as she followed a few feet behind us.

Looking back it didn't seem to matter what was "showing" at the "picture show." Maybe it was Gene Autry, Roy Rogers or Tom Mix, with a serial of the Lone Ranger and Tonto. All that really mattered was we were there with Granny and life was simple and good. We could hardly wait until we started home as Granny always seemed to find a little more money to stop at the old general store that was nestled in the Y of the roads that led home. She

"Liar's bench" on the front porch of the old store and enjoy our treat, before walking home. We always arrived at dusk, just in time for a bath in the galvanized tub before bedtime.



Thomas and Mary Brown, grandparents of the Brown family of Wilbur, are shown in the early 1900s.

In Remembrance

To Those I Love and Those Who Love Me

When I am gone, release me, let me go -
I have so many things to see and do.
You mustn't tie yourself to me with tears,
Be thankful for our beautiful years.

I gave to you my love. You can only guess
How much you gave to me in happiness.
I thank you for the love
you each have shown,
But now it's time I traveled on alone.

So grieve a while for me, if grieve you must,
Then let your grief be comforted by trust.
It's only for a time that we must part
So bless the memories within your heart.

I won't be far away, for life goes on
So if you need me, call and I will come
Though you can't see or touch me, I'll be near
And if you listen with your heart, you'll hear
All my love around you soft and clear.

And then, when you must come this way alone,
I'll greet you with a smile, and say -
"Welcome Home!"

Subject: Directions to Bloomington

Hello John and Mary Catherine. I hope you didn't think I had forgotten you. It's just been hectic around our house these days. I am looking forward to seeing you all on Wednesday about 10:00 Am. I will be my pleasure to fix lunch. And I think my husband, Ron, has an office day at home and will be able to join us. I can't promise that I will get through any boxes of pictures and clippings because of time already committed. Directions to our house: We are on the northside of Bloomington. The first exit into Bloomington is College Avenue. After you pass this exit, get in the left hand lane of 37 as you start up the hill. The first crossroad is Kinser Pike and you will turn left on to it. On the right hand side of the road is a green sign pointing left to Bloomington High School North - use as a landmark. After turning left onto Kinser, you will go approximately 1 1/2 - 2 miles. Rosewood Drive intersects with Kinser. There are two subdivisions at the intersection and you will turn left into Northwood Estates on Rosewood. Go to the second set of silver gray mailboxes and turn left. You will still be on Rosewood Drive. We are the third house on the left, gray siding, lamp post in yard with deer and **838** is in large numbers on garage door frame. We look forward to seeing you then. Take care, Sally

morning and evening respectfully, "The Uplifted Christ," and "The Golden Bowl."

The fourth session of the School of Missions will be Wednesday evening at seven. The attendance and interest have been splendid considering the fact that the dinner and social features are eliminated this year, yet there is room for others in the school. Welcome to you here.

CHURCH OF THE NAZARENE

C. L. Thornburg, Pastor

Rev. F. E. Crider our evangelist arrived Monday and preached a message that was much appreciated by the large congregation that was out the first night. Sunday school at 9:30.

Morning Service at 10:30. Rev. Crider will preach.

N. Y. P. S. at 6:00 and the evening service at 7:00, with services each night at 7:00. Every one welcome to all these services. Special singing.

We believe that repentance, which is a sincere and thorough change of mind in regard to sin, involving a sense of personal guilt and a voluntary turning away from sin, is demanded of all who have by act or purpose become sinners against God.

The spirit of God gives to all who will repent the gracious help of penitnce of heart and hope of mercy, that they may believe unto pardon and spiritual life.

pastor. The sermon will be considerably shorter than heretofore; and eac Sunday there will be some part o parts of this period especially planne for the children. Worshippers not attending the Church School will notic that they should now arrive at 10:1 rather than 10:30.

Notice a few advantages of this plan The Church School begins 15 minute later than formerly. Surely you ca and will be present on time. The entire program is finished by 11:00, s that the total time occupied is only few minutes more than the schedule time for Sunday School alone unde the former plan. Surely you can an will remain for the entire program Beside this, there is the important advantage that this plan will encourage persons of all ages to worship together thus more effectively developing church consciousness and loyalty, especially in children and young people.

The Sunday evening schedule will continue as in the past:

6:00 p. m.—Meeting of the Young People's Division.
7:00 p. m.—Evening Worship, with the sermon by the pastor.

FIRST M. E. CHURCH

R. O. LaHue Minister

Church school session—9:30.
Morning worship—10:30.
Epworth League—6:00.
Evening worship—7:00.

The evening service will be of special interest to young people. The pastor will preach a special sermon for young people but the older will be benefitted.

All young people are very cordially invited to this special service.

HAYDEN SCHOOL

Excellence in Education – A Treasured Tradition

Making educational opportunities available for the children in Spencer Township was so important that the early settlers established a school even before the state of Indiana had required having schools in each community. Nine years after the people living in the Six Mile settlement established the Baptist church there in 1821, they hired a school teacher and began using the church building to conduct school for those children living nearby.

By the 1840's, the state began legislating that the populated areas of each township should have a schoolhouse and the administration of the education of the children was made the responsibility of each of the township trustees.

By 1884, there were 13 one-room schools situated in Spencer Township. Ten years later, John Wohrer, organized the high school so that any student wishing to further their education could do so by attending the upper grades at Hayden.

As the population of the township grew, the need for a bigger schoolhouse at Hayden became a necessity. By 1915, Henry Nordloh and his advisory board pushed forward with plans to build a large, modern schoolhouse, which would serve the students of Spencer Township adequately for many years.

The new school was completed shortly after 1916 but it took nineteen years before the one-room schools out in the country could close. In the mid-1930's, the township acquired a fleet of school busses so then every child in Spencer Township could attend the big school at Hayden.

By the 1950's, overcrowding became a problem again, so Willard Wohrer and his board began looking at options to solve this issue. Plans were begun to build a new school for Hayden but with the announcement from the county superintendent that there were long-term plans to consolidate and have one high school for the whole county, the Hayden plan was cancelled.

The final year for Hayden High School was 1960. Because there was no room for all of the Hayden upper classmen at North Vernon, the Hayden students were divided and some of them finished their high school careers at Seymour.

Grades 1-8 continued at the old school at Hayden until the new Jennings County High School was completed in 1968. The 7-8 graders were then moved to the old North Vernon High School so then grades 1-6 were using the old Hayden school.

Construction of a new elementary school for Hayden commenced in 1977 and once this school was finished in 1978, the old school was demolished.

From its humble beginnings in the 1830's in the old Baptist Church, to the present, the importance of a quality education for this community continues.

The Hayden Elementary School has recently been recognized as one of the best grade schools in the state of Indiana. The honors and awards include: Indiana Lighthouse School in 1999; a Four Star School rating in 2000; Indiana's only nominee for the National School Change Award for 2001.

Along with the distinguished honors bestowed upon the school itself, Hayden's principal, Judy Love, was chosen as the Indiana Elementary School Principal of the Year for 2001.

Mrs. Love grew up in New Albany and began her teaching career in Jennings County in 1974 at St. Mary's. She became principal at Hayden in 1993 and she and husband Al, and son, Alex, live on their horse farm just west of Hayden.

The hard work performed by Mrs. Love and the entire Hayden Elementary School staff have given our community of Hayden another reason to be proud.

Mrs. Love with the Little Hoosiers during their Christmas Caroling outing.

Making Education A Career

Many of Hayden's former students went on to college and pursued a career in education. The first class to graduate from Hayden High School in 1897 had four members which included Florence Downs, Florence Wohrer, Shepherd Whitcomb, and Paul Van Riper. All four students went to college and all four became school teachers. The two men would advance and become administrators serving as school district superintendents.

In the next issue of our newsletter, we would like to list anyone who attended school at Hayden and made a career in education.

As an example: the photo below was taken at Glen Morrison's 90th birthday party and features three people who attended school at Hayden and became school teachers – Steve Bannister, Glen Morrison, and Jerry Bridges.

The Hayden Market store, originally built for James P. Swarthout in 1875, closed on Dec. 8, 2001. This had been the oldest public building for Spencer Twp. and the current status for the building is unknown. Taking the place of this store is a new one which has been built behind the old Maples Grocery on Hwy. 50 and is called Eder's Midway Station.

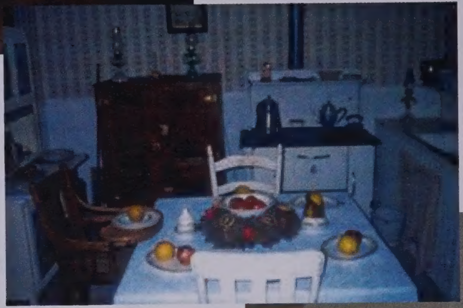
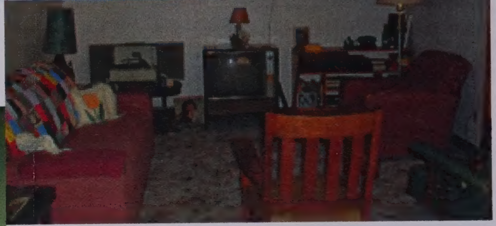
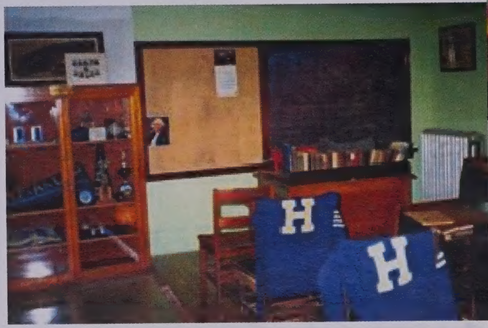
◄ The pre-1900 bedroom features furniture and other items, most of which had belonged to local Hayden families. The floor was taken from an old home in the area which was built in 1872.



The 1939 kitchen has a wood stove, ice box, pitcher pump, crank telephone, oil lamps, and a battery radio which would soon be replaced once electricity was available. ▲

Step into the Living Room and be transported back to the year 1965. See a mix of furnishings and other items that were common to most of the homes in this area at this time. ▼





▲ The mid 1950's school room has a mix of furniture, artifacts, and school related items, some of which came from the old Hayden schoolhouse. The display also contains the Haymakers trophy case with awards they won at the time when Hayden still had a high school.

Hayden native, Edgar D. Whitcomb, was elected Indiana's Governor in 1969. This exhibit is filled with the memorabilia from his illustrious political career. ▼

Baseball and Its Development in Hayden and Spencer Township Jennings County

By Howard C. Daringer

No city or township in the United States has sent its native born sons higher in the professional rank of baseball than Hayden, Spencer Township. From the earliest days of any type of ball played, Hayden has always had a club.

Before the Civil War, the only games played with a ball were known as Hat Ball and Bull Pen. After the Civil War, the game of Town Ball was introduced in Spencer Township. This kind of ball was a big advancement to our modern game of Baseball. In the year 1969 the first ball club was organized and the game of Baseball was played in Spencer Township. This club was organized by Dave Clark, the playing field then was back of where the old Methodist Church once stood, and all games were played on Saturday afternoons. The players and their representative positions on the 1869 club are as follows: Henry Bruner, outfield, Dave Clark, 1st base, John Woodson, 2nd base; Sam Swarthout, shortstop; Elmer Hause, outfield; Hiram Whitcomb, 3rd base; Socrates Carver, catcher; and Ethan Day, pitcher. This bunch of players played together for several seasons with a great amount of success.

In the year 1872, the next club organized and the players were as follows: Dave Clark, 1st base; Richard Woodson, outfield; Sam Swarthout, shortstop; John Haley, outfield; Walter Goodhue, 3rd base; Frank Clark, 2nd base; Charles Swarthout, outfield; Barney Alleding, outfield; Frank Swarthout, pitcher; Ethan Day, pitcher; Bill More, catcher.

The club organized in 1875 had the following players: Bill More, Bob Hartpence, Bill Ewan, Rufe Ewan, Dave Clark, Anderson More, Noah Sullivan, Frank Swarthout, and John More. This group of players continued on the club during 1874 through '76 with few changes and much success. In 1877, A.J. Frazier, then the train dispatcher for the B.&O., took a great interest in the boys and was made manager of their club.

In the year 1882, a new club was organized with the following players: Jake Hudson, Noah Sullivan, Bill More, John More, Ed Daringer, Anderson More, Mort Oathout, John Dundon and Jim Swarthout. This club had a very successful career, playing against all clubs nearby, losing only one game the entire season.

The following year of 1883, some new faces were seen on the club; George and Otto Kendrick, and Herbert Swarthout played with this year's club. This club continued to play through 1887. Games were played on the old Haley homestead and the Jackson Kendrick field west of the Hayden Cemetery.

The year 1890 brought many new faces to the Hayden Club; Herbert Swarthout, Ed Daringer, Ned Swarthout, Mort Reeves, Charles Reeves, Bill Bannister, Ross Graves, Archie Goodhue, George Arbuckle, Jim Swarthout, Wilbut Daringer and Lawrence More. These boys continued playing through 1893 with few changes.

In the year 1894, the Jennings County Baseball League was organized with four towns, Hayden, Vernon, Paris Crossing, and Scipio. A schedule of twelve games was arranged and Jake Hudson was made president of the league. He was also the manager of the Hayden club so great interest was shown in baseball this year. The players which made up the Hayden Club were as follows: Spark,s from Moore's Hill, pitcher; Wilbur Daringer, catcher; Riley Robinson, 1st base; Lou Daringer, 3rd base; Herb Day, shortstop; Archie Goodhue, centerfield; Albert Barnhart, 2nd base; Ed Daringer, left field; George Arbuckle, right field; Carl Graves, outfield. Hayden won the pennant with a record of 11 wins and the one loss to Scipio. The same players continued to play together through the year 1898.

In the years of 1899 and 1900, an entire new group of boys started their baseball career, many of whom made great reputations and baseball history in some of the largest cities in the United States. The club of 1900 was made up of some of the best ball players in the state of Indiana.

Such well known boys as Mike Simon, Howard Mote, Charles Swarthout, Ray Ryan, Will Ryan, Howard Daringer, Clifford Daringer, Alpha Titus, Dr. Davenport, Paul Van Riper, Oscar Larrabee, and Albert Barnhart. This group played through 1903, playing one game a week on the old Hayden school ground.

The three More boys, Forrest, Walter, and George (Grover), the three Daringer boys, Howard, Clifford, and Rolla, Mike Simon, and Ray Ryan all began their baseball careers with the Hayden Club. This group of boys have the honor of being the ones to represent Spencer Township in professional baseball.

Spencer Twp. should be proud to know these eight boys carried baseball from the Hayden baseball diamond to all corners of the United States and some foreign countries as well. *(Note: Another Hayden boy, Arnold Marshall, was offered a minor league baseball contract in the 1940's.)*

To follow up the article entitled, **'Excellence in Education - A Treasured Tradition'** from our last newsletter, we mentioned that in this issue we would list the persons who attended school at Hayden and went on to become school teachers. As with any list, we know there will be some we will miss so if our readers know of someone who should be included in this listing, please contact the museum.

HOMECOMING

On Sunday, June 23, the Hayden High School Alumni Assn. will hold its annual Homecoming at the Hayden Pavilion with a pitch-in dinner begining at 12:30. The afternoon program will start at 1:30 and this year's anniversary classes of 1932, 1942, and 1952 will be recognized.

The winner of the 2002 Michael Euler Memorial Scholarship will be introduced. This is the award made possible by the Hayden High School Alumni and is presented each year to an outstanding Jennings County High School graduate who attended school at Hayden.

Your input is wanted.

To help us as we prepare to plan for the various events we can present for the 150th anniversary celebration of our town's founding please give us your recollections of Hayden's past. One of the two categories that would cover the topics we might try to cover would be what you remember yourself. That would include features of the town / unique activities / celebrations / memorable events.

Examples: the gas pipeline explosion and fire at Reddington; summer evenings when they showed motion pictures in town by the store; the roar of airplanes going overhead when Freeman Field was an active air base; when the chicken processing plant was in operation; when the tomato canning factory was in business; the town hall entertainments.

The other category would be 'Folklore' which would include the things that you did not witness yourself but heard others talk about.

Examples: the 500 soldiers camping overnight in Hayden when Morgan's Raiders were in the area; when the train tracks ran through the heart of town; the hay press operation.

Jot down your memories and drop them by the museum or send them in the mail. With your help, we hope to capture or recreate what made it so special to have lived around Hayden from 1854 – 2004.

Hayden to the Front

Article which appeared in the Feb. 1901 issue of the *Banner Plain Dealer*

We cannot get rid of the idea that Hayden is not only the Athens of Jennings County, but also its Liverpool as well.

We call attention to the firm of Kendrick Brothers, General Merchants. They occupy the lower floor of their large and spacious building located on Washington Street near the B&O RR. (This is when the railroad tracks were still running through the heart of town.)

They have floor room of 3,600 square feet, which is loaded with goods. In addition to the floor space mentioned above they have a machinery room 20 x 80 feet which is filled with the latest implements. The second story of their main building is fitted up for an opera room and compares favorably with the North Vernon opera house.

They also own two large hay barns located on the siding of the B&O Road, one of which is a brick building, slate roof and is fireproof, built at a cost of $4,000, not including the 20-ton per day Dederick hay press and engine which is within the building.

As pike builders there need be little said, as they are already known throughout the county in this line.

Getting down to actual figures which tell the facts in a nutshell, we beg to state that Kendrick Bros. have lately finished their annual invoice of stock which is as follows: Goods in stock - $5,275.25; Sales for 1900 - $17,984.70; Pike work done for 1900 - $20,702.40.

We venture the assertion that not in Indiana is to be found a village so prosperous in its business, so moral in its conduct, so quiet in its demeanor or so intellectual in tone.

It is pretty well known that Hayden has the best and most complete schools in Jennings County excepting only North Vernon.

Hayden stands second to none in its religious advantages. The town proper contains two churches – the Methodist Episcopal and the Baptist, while south of town and within easy reach stands a magnificent structure, the Catholic Church.

The ME Church is situated in the southeast part of our little city. It is a brick structure with a seating capacity of 350. The Baptist Church stands in the western part of town and is also built of brick and has a seating capacity of 500. The new Catholic Church was built a few years ago at a cost of $8,000.

Our secret societies number five: Masons, Eastern Star, Odd Fellows, Daughters of Rebeccas and the Patrons of Husbandry. To show that our farmers are progressing and energetic, we have only to point to the Grange building. It's the only one of its kind in the county, a two-story building with a business room below and a hall above.

A number of our enterprising citizens met in Kendrick Hall recently to form the Hayden Oil and Gas Well Company. Experts, who have examined the field, say that all indications are favorable for a successful drilling venture. Stock in the company is being sold at $10 a share.

Paul Van Riper was named as one of the officers of the company.

He married Bertha Richart at Seymour, on June 7, 1947. They had three children; Bill, Patrica (Peterson) and Nancy (Daues).

He was laid to rest in the Riverview Cemetery at Seymour after the funeral mass at the St. Ambrose Catholic Church.

Evelyn Lucille Burton, age 77, passed away at her home northwest of Hayden on Oct. 10. She was born in Columbus, the daughter of John and Luella Reed Merriman.

She received her education at Columbus, graduating in 1943 from Columbus High School.

She was married to Lee Burton, Jr., on Aug. 28, 1945, and they had seven children. Their sons included: Dennis Lee, Ronald Dale, Byron Dee, Dallas Gene, and Douglas Shawn. Their two daughters were Brenda (Hollin) and Kathie (Banning).

Mrs. Burton was a member of the St. Andrew United Methodist Church at Seymour. She was a homemaker and enjoyed working with her flower and vegetable garden.

Our Recent Appeal Reaps Generous Donations of What We Asked For - Time - Money – Materials

We made our initial appeal for donations of help, materials and money for the current museum projects in the last issue of *The Hayden Spirit.* We've had many of our friends, neighbors, and museum members heed this call. Several who live nearby have made themselves available when we asked for help and assistance. Others who do not live nearby have been just as helpful as they mail in their monetary donations. It takes both kinds of help to make these projects a complete success.

The old gas station has been moved to the museum property and the expense for this move has been paid for, thanks to the generosity of many. Other donors have requested their contributions to be applied to the new roof project and we now have enough money to proceed with this.

Now that the station has been relocated, we will begin restoring it to make it look like a new Sinclair gas station as it once did. We already have several people in the community who have expressed their desire to help work on the station. While it was a major expense to move the building, the need is still there for additional funds to purchase building supplies needed for the remodeling. Funds will also be needed to obtain the gas related fixtures and items.

Because the Sullivan Blacksmith shop already had some funding made possible by an individual donation, we hope to get started on this project in early 2002. Keep in mind that once the building has been finished, items such as blacksmith tools and equipment will be needed, so if anyone knows a source for these items, please let us know.

Monetary donations can be sent to the museum address and keep in mind your donations are tax deductible. If you make a donation in memory of someone, we will make a memorial plaque for that person along with the donor's names.

As a way to show our appreciation to those who have made or will make a substantial donation, the museum board of directors recently agreed to grant a Lifetime museum membership in return. This would be for any business, organization, family, or individual making a donation of $250 or more.

Church Family News

1. The Mother/Daughter Banquet will be held on Tuesday, May 7th. There will be a sign up sheet in the basement and the foyer after morning worship.
2. The roof of the church is in need of repair. We will need to raise $7,000 to meet the cost of repairing it. Anyone wanting to make a donation to fix the roof can designate money to the Roof Project.
3. The tickets have come in for our Soup Supper/Craft Auction. If you would like to buy or sell tickets, please see Carol Spurlock or call the church office at 346-2426.
4. Gloria and I would like to thank this wonderful congregation for the surprise on Sunday the 12th. On Monday the 8th we celebrated our 52nd wedding anniversary and so many people came up and congratulated us. Many gave us anniversary cards. How great. It was an outpouring of your love to two people who really miss that kind of love that was there for us when we were full time in the ministry. The biggest loss for retired pastors is the closeness that a pastor has with his congregation. You have brought that back to us in a marvelous way. Pastor Chuck and Gloria
5. Attention Golfers: Two upcoming golf outings. The first is our annual spring golf outing Saturday, May 18th at Sunrise Golf Course in Madison. We will leave the church at 6:30 a.m. and eat breakfast at Frisch's in Madison at 7:00 a.m. We have an 8:30 a.m. tee time. The second upcoming golf outing is sponsored by the Sandcreek Association to raise funds for the Westport Camp, all the churches are urged to participate. It will be held on Saturday June 8th at the Wyaloosing Golf Course in Letts. The cost is $40.00 (this includes your meal) with $10.00 going the camp or more if you want to donate extra. "Preaching the kingdom of God and teaching concerning the Lord Jesus Christ with openness, unhindered" Acts 28:31

We would like to welcome you to Vernon Baptist Church. Children three years old through kindergarten will enjoy Wee Worship when they are dismissed from the worship service. Wee Worship dismisses during the first song of our Praise and Worship time. Wee Worship meets in the new basement. There is a staffed nursery for children two years and younger. It is in the education wing, which is located through the door nearest the piano. We hope that you enjoy your worship experience and we look forward to joining together with you as we worship the Living Savior!

Organ Prelude

During the organ prelude, we ask that you prepare your heart and mind for worship. We ask that you pray for someone in your pew, someone in front of you and behind you. Also, pray for our Pastor Chuck, our Worship Leader, the choir, and the instrumentalists. Pray that God's will be done during our Worship Service.

Welcome…*Joe Daugherty*

Vernon Baptist Church

On April 27, 1816, before Indiana became a state or Jennings a county, and before Vernon was incorporated as a town, the Vernon Baptist Church was formed by seven persons. They met in various homes.

In 1824 they built their first house of worship on the highest point in Vernon, overlooking the town and the Muscatatuck valley.

This first meeting house was a low, square, brick building with a four-sided roof, the apex of which was surrounded by a small belfry. Doors were on the north, east and west sides. The rope of the bell hung down in the center of the church where the aisles crossed. The church was illuminated by tallow "dips" in tin sconces protruding from the wooden pillars. Two huge fireplaces flanked the pulpit which was described as "a high, round box affair with a door to shut and keep the preacher in."

By 1845 the church had given birth to five new churches.

During the turbulent frontier days the members imposed strict discipline upon themselves. Guided by the "Gospel steps" outlined in Matthew 18, they often lodged charges against one another. Most of these charges involved betting, lying, swearing, Sabbath violations, fighting, intoxication, and dancing.

The old minutes also reveal a hardiness in the baptism candidates. Immediately after the service, men and women alike were taken to the river. If the river was frozen, church boys were sent ahead to break away the ice.

John Vawter, Vernon's founder, did most of the early preaching, as did other members who felt the urge to "exercise their gifts." The pastor of longest tenure was Wm. T. Stott, one of the founders of the church, who served from 1825 to 1866. After his term it appears there came a succession of elderly pastors who had retired in Vernon.

This period was followed by the calling of students from the Southern Baptist Theological Seminary at Louisville. These men came to Vernon on weekends and stayed at members' homes. During some lean years, the VBC didn't have preaching every Sunday, or they shared pastors with sister churches.

The square building was razed in 1871 and the present sanctuary built on the same site at a cost of $3500. While without a home, the church met in the courthouse.

In 1913 a partition was built forming the back room. The stage was added in 1934. The decision to construct the stage caused strife in the church, with some members protesting that a stage was too much like show business. The two-story education/fellowship wing was added in 1975. In 1987, to accommodate a growing church family, the church bought two vacant lots behind the building for parking space. In early 1990 the church voted to remove the 1913 wall and expand the sanctuary.

Today the Stott descendants work faithfully alongside the newest members. This combination of old and new blood is believed to bless the church with special strength and vitality.

The seven original members prayed that "Heaven may smile on us and our infant settlement and that both may grow together and bring forth honor and glory to the name of God." Over the years God truly has smiled down on the Vernon Baptist Church family, and it is still their prayer to honor and glorify his name.

Vernon Baptist Church

On April 27, 1816, before Indiana became a state or Jennings a county, and before Vernon was incorporated as a town, the Vernon Baptist Church was formed by seven persons. They met in various homes.

In 1823 they built their first house of worship on the highest point in Vernon, overlooking the town and the Muscatatuck valley.

This first meeting house was a fine square brick building with a four-sided roof, the apex of which was surrounded by a small belfry. Doors were on the north, east and west sides. The rope of the bell hung down in the center of the church where the aisles crossed. The church was illuminated by tallow "dips" in tin sconces protruding from the wooden pillars. Two large fireplaces flanked the pulpit which was described as "a high round box affair with a door to shut and keep the preacher in."

By 1845 the church had given birth to five new churches.

During the turbulent frontier days the members imposed strict discipline upon themselves. Guided by the "Gospel steps" outlined in Matthew 18, they often lodged charges against one another. Most of these charges involved betting, lying, swearing, Sabbath violations, fighting, intoxication and dancing.

The old minutes also record a fearlessness by the baptism candidates. Immediately after the services, men and women alike were taken to the river. If the river was frozen, church boys were sent ahead to break away the ice.

John Vawter, Vernon's founder, did most of the early preaching, as did other members who felt the urge to "exercise their gifts." The pastor of longest tenure was Wm. T. Stott, one of the founders of the church, who served from 1825 to 1860. After his term it appears there came a succession of elderly pastors who had retired in Vernon.

This period was followed by the calling of students from the Southern Baptist Theological Seminary at Louisville. These men came to Vernon on weekends and stayed at members' homes. During some of these years, the VBC didn't have preaching every Sunday, or they shared pastors with sister churches.

The square building was razed in 1871 and the present sanctuary built on the same site at a cost of $3500. While without a home, the church met in the courthouse.

In 1913 a partition was built forming the back room. The stage was added in 1934. The decision to construct the stage caused strife in the church, with some members protesting that a stage was too much like show business. The two-story educational/fellowship wing was added in 1975. In 1987, to accommodate a growing church family, the church bought two vacant lots behind the building for parking space. In early 1990 the church voted to remove the 1913 wall and expand the sanctuary.

Today the Stott descendants work faithfully alongside the newest members. This combination of old and new is believed to bless the church with years of strength and vitality.

The seven original members prayed that "Heaven may smile on us and our infant settlement and that both may grow together and bring forth fruit and glory to the name of God." Over the years God truly has smiled down on the Vernon Baptist Church family, and it is still their prayer to honor and glorify his name.

History Of
Vernon Baptist Church

On April 27th, 1816, before Indiana became a state and before Vernon was incorporated as a town, the Vernon Baptist Church was formed.

In 1824, the church built its first house of worship on the highest point in Vernon, overlooking the town and the Muscatauck Valley. The first meetinghouse was a low, square, brick building with a four-sided roof, the apex of which was surrounded by a small belfry. The square building was razed in 1871, and the present one built on the same site at a cost of $3,500, while without a home, the church met in the courthouse.

The two-story education/fellowship wing was added in 1975. To accommodate a growing church family, we bought the two vacant lots behind the church in 1987 for parking space and in early 1990, the church voted to remove the 1913 wall and expand the sanctuary. The sanctuary was expanded and renovated into the lovely place of worship that we now enjoy.

Once again, we realized our church family was growing and would need to expand. July 9th, 2000, we broke ground for our new multipurpose building, and construction was soon underway. The building was completed in the year 2001, and the Family Life Center you see today is one we will enjoy for years to come.

Mrs. Martha F. Hamilton, age fifty-nine, a resident of Jackson county for about twenty years, died at her home six miles southwest of Medora at 4 o'clock Saturday afternoon. Death followed an illness of about twelve hours with apoplexy. (Stroke)

Funeral services were conducted at 2 o'clock this afternoon from the home of her daughter at 618 South Vine street, this city, with the Rev. Trester in charge. Burial in Riverview Cemetery north of Seymour.

Mrs. Hamilton was born on April 2, 1877, in Greene county, Ind., the daughter of Sampson and Ann Scarber Adams. She moved to this county twenty years ago and was married in November, 1920, to Firman Hamilton, who survives. She was a member of the Saints' Church and has a host of friends who mourn her death.

She is survived by five daughters, Mrs. Beachie Brown, of Bedford; Mrs. Bertha McMersheen, of Cloverport, Ky.; Mrs. Mary Lucas and Mrs. Barthena Goodin, both of Seymour, and Mrs. Pearl Kuhn, at home; a brother, Mace Adams, of Indiana Harbor, Ind., and a sister, Mrs. Elizabeth Bryant, of Crab Orchard, Ky.

It is my belief that most, if not all, of these men were recruited from Garrard county. The 7th Cav was formed in August 1862, mustered in at Paris, KY. I will be added the other companies in the future. Company H is important because my 4GGF, William Perry BAKER served in this unit. As did his brother-in-law James M. JOSLIN (JOSLEN) and others that lived close by: HALL, RENFRO, POINTER, MCQUERRY.

Enjoy. I'm posting to KYROOTS and KY-FOOTSTEPS.

Washington, Dec. 11 (A.P.)—Congress voted war against Nazi Germany and Italy today in a swift response to President Roosevelt's appeal for a "rapid and united effort" for the cause of victory "over the forces of savagery and barbarism."

As fast as roll call could be called, the Senate unanimously and the House without a single "no" vote accepted the challenge of Adolf Hitler and Benito Mussolini, Axis partners of Japan with whom the nation went to war Monday.

Rankin Votes 'Present.'

This was Jeannette Rankin (R-Mont), who cast the lone vote against war with Japan and who voted against war with Germany in 1917.

In a brief, 4-paragraph message to Congress which followed declaration of war on this country by the two Axis partners, Mr. Roosevelt asserted that "the forces endeavoring to enslave the entire world now are moving towards this hemisphere."

The text of the war message:

"On the morning of Dec. 11 the government of Germany, pursuing its course of world conquest, declared war against the United States.

"Delay invites great danger. Rapid and united effort by all of the peoples of the world who are determined to remain free will insure a world victory for the forces of justice and of righteousness over the forces of savagery and barbarism. Italy also has declared war against the United States.

"I therefore request the Congress to recognize a state of war between the United States and Germany, and between the United States and Italy."

Rome, Dec. 11 (Official Radio received by UP)—Germany and Italy declared war on the United States today in fulfillment of their alliance with Japan.

The announcement was made to tumultuous Italian crowds by Premier Mussolini who pledged that "we will bring you victory."

Cheers swelled from the crowd before the moment Il Duce appeared on the balcony at the Palazzo Venezia at 8:31 a. m. (CST).

He made the fateful declaration in the first few minutes of his speech.

Two divorce hearings were conducted before Judge George W. Long in Bartholomew circuit court today.

In one of the actions, Mrs. Patricia I. Morgan was granted her freedom from Walter F. Morgan. She was given the custody of their two children, and an order was made against him for the payment of $5 weekly support money. The court was informed that Morgan is $200 in arrears in the payment of support money to his family. Judge Long ordered that he pay $100 within three months and the remaining $100 in six months.

Mrs. Morgan charged cruel and inhuman treatment. Morgan is employed on a defense project at Madison.

Native Army Recaptures Region Around Aparri in Luzon.

'CUHTISTS TAKE AIRPORT

U. S. Military Spokesman Reports Earlier Situation Well in Hand.

Manila, Dec. 11 (AP)—The Philippine army was reported tonight to have recaptured the region around Aparri on the north coast of Luzon and to be driving the Japanese back to the seacoast.

Japanese parachutists were reported earlier to have seized an airport six miles from Iligan in eastern Luzon today while U. S. and Philippine troops battled to drive Japanese landing forces into the sea along the northern and western coasts of the islands.

A U. S. Army spokesman declared a short time before the parachute landing was reported by the Philippine constabulary that the situation "is completely in hand" and that Japanese forces along the coast were being mopped up.

Iligan, scene of the reported parachute landing, is in the province of Isabela, some 70 miles south of the port of Aparri and 180 miles northeast of Manila.

Battleship Set Afire.

The spokesman earlier today announced a successful bomber attack which left a 29,000-ton Japanese battleship "blazing fiercely" and the repulse by Filipino soldiers of a light Japanese attack about 110 miles northwest of Manila.

The spokesman said there had been no further developments after an attempted landing had been repulsed in the Lingayen area.

"Enemy detachments that landed on the Luzon coast are being disposed of," he said. "Mopping up operations are proceeding.

"Our scout planes took to the air during the noon air raid and were reported to have kept a formation of Japanese bombers away from Manila. The enemy aircraft are reported to have turned back and last were seen headed in a westerly direction."

"The situation is completely in hand," the spokesman said.

Three Direct Hits.

He declared a U. S. Army bomber late yesterday attacked a Japanese battleship of the Haruna class about 10 miles northeast of northern Luzon island coast.

"The bomber secured three direct hits and two very close alongside," he said. "When the bomber left the battleship was blazing fiercely."

(Jane's Fighting Ships, authoritative naval manual, lists a 29,-330-ton Haruna as one of four ships of the Kongo class, laid down in 1911-12 and refitted in 1926-30).

On land, the spokesman said, there have been no major devel-

DECLARES WAR ON AXIS WITHOUT ONE VOTE IN DISSENT

Washington, Dec. 11 (A.P.)—Congress voted war against Nazi Germany and Italy today in a swift response to President Roosevelt's appeal for a "rapid and united effort" for the cause of victory "over the forces of savagery and barbarism."

As fast as roll call could be tallied, the Senate unanimously and the House without a single "no" vote accepted the challenge of Adolf Hitler and Benito Mussolini, Axis partners of Japan with whom the nation went to war Monday.

The Senate vote for war against Germany was 88 to 0. The vote for war against Italy was 90 to 0, two senators reaching the chamber meanwhile.

The House vote for war with Germany was 393 and with Italy 399, one member voting "present" each time.

Rankin Votes 'Present.'

This was Jeannette Rankin (R-Mont), who cast the lone vote against war with Japan and who voted against war with Germany in 1917.

In a brief, 6-paragraph message to Congress which followed declaration of war on this country by the two Axis partners, Mr. Roosevelt asserted that "the forces endeavoring to enslave the entire world now are moving towards this hemisphere."

The text of the war message:

"On the morning of Dec. 11, the government of Germany, pursuing its course of world conquest, declared war against the United States.

"The long known and the long expected has thus taken place. The forces endeavoring to enslave the entire world now are moving toward this hemisphere.

'Delay Invites Danger.'

"Never before has there been a greater challenge to life, liberty and civilization.

"Delay invites great danger. Rapid and united effort by all of the peoples of the world who are determined to remain free will insure a world victory for the forces of justice and of righteousness over the forces of savagery and barbarism. Italy also has declared war against the United States.

"I therefore request the Congress to recognize a state of war between the United States and Germany, and between the United States and Italy."

Dictators Address Cheering Crowds

By The Associated Press.

Germany and Italy declared war against the United States today, with Premier Benito Mussolini telling cheering crowds in Rome that "it is an honor to fight together with the Japanese," while Adolf Hitler said the war would determine history for "the next 500 to 1,000 years."

The European and Asiatic wars thus were officially merged into one gigantic, world-wide conflict.

Hitler warned of an imminent attack on the United States. "The Axis will always strike first," he shouted to the reichstag in Ber-

"I have today told the German ambassador to the United States to ask for his passport.

Rome Crowds Cheer Declaration of War

Rome, Dec. 11 (Official Radio received by (AP)—Germany and Italy declared war on the United States today in fulfillment of their alliance with Japan.

The announcement was made to tumultuous Italian crowds by Premier Mussolini who pledged that "we will bring you victory."

Cheers swelled from the crowd before the moment Il Duce appeared on the balcony at the Palazzo Venezia at 6:51 a. m. (CST).

He made the fateful declaration in the first few minutes of his speech.

"We shall bring you victory," he told cheering crowds in the streets below the Palazzo Venezia where he spoke from a balcony.

In a radio broadcast of the fateful speech, heard in both New York and London, Mussolini declared that thus 250,000,000 men of tri-partite pact nations were joined in a military alliance pledged to achieve a common victory.

"I want to tell you," he said, "that it is an honor to fight together with the Japanese - with the courageous soldiers of the Far East . . .

"Italian men and women, once again I tell you in this great hour: We shall be victorious."

LOCAL SOLDIER UNDER FIRE AT MANILA, BELIEF

Frank Sachleben With U. S. Engineers at Fort Stotsenberg Base.

TWO AT PEARL HARBOR

Marshall Action and Lyle Clapp Last Heard from in Hawaii.

Frank K. Sachleben is believed to have been under fire at Fort Stotsenberg, near Manila, last night.

At last word received from him by his parents, Mr. and Mrs. Henry Sachleben, 2312 Maple avenue, he was in a detachment of engineers building an air base at Fort Stotsenberg.

The fort was reported bombed by the Japanese last night.

His mother, nearly broken up by the report, said this morning she and her husband had not had word from Frank for some time.

Young Sachleben went out in the March 31 draft, and was trained at Fort Belvoir, Va. He was sent to the Philippines with the 803rd Engineers battalion the latter part of September.

Three Believed in Hawaii.

At Pearl Harbor, Hawaii, last heard from were Marshall Acton, Jr., of Burnsville, and Lyle Clapp, a nephew of Mrs. Wm. Wilson, east of Hartsville, who are enlisted in the U. S. Navy. Marshall Acton, Sr., had a letter from his son Saturday, mailed from Honolulu.

Jean Hoy, son of Mr. and Mrs. Clarence Hoy, of Rugby, is also reported to be on duty at Pearl Harbor. He was home on furlough about six weeks ago.

Louis Coy, son of Mr. and Mrs. Wilbur Coy of Edinburg, was reported on duty in Hawaii in October.

The county has quite a list of men enlisted in the Navy, some of them on duty in the Atlantic and some the Pacific. However, owing to the war and the situation just preceding it, the locations of many of those aboard ship are not known here.

Bechelli On Aircraft Carrier.

Last information of Francis Bechelli was received here about two months ago by his brother, Victor Bechelli, said he was aboard the U. S. S. Aircraft carrier, Wasp, about 2 degrees north of the equator, but said further information of his position would be restricted. Bechelli has been in the Navy the last six years. He visited Columbus about two years ago.

Robert Snyder, who has been in the Navy for 13 years, recently was on duty at or near Iceland, but the last word received from him by a sister, Mrs. Charlton J. Walker, said he was going to duty at another point which he did not disclose. The only hint he gave was that his new location would be "lots warmer" than Iceland.

Sails For Iceland.

Robert deMercado, 627 California street, who was stationed at Boston, wired home Saturday that he was sailing for Iceland.

Kenneth Haislup, son of Mrs. Webb Miller, 1428 Chestnut street, who is in the Navy and has been

Hull Warns Germans May Attack Report Is Heard Jap Cities Bombed

Michigan Congressman Demands Courtmartial of Commanders in Pacific.

Washington, Dec. 9 (AP)—Following a bold Japanese foray that threatened to carry the horrors of the Pacific war to the continental United States, Secretary of State Hull indicated today that this country should be on guard against a sudden German move, supporting Japan in fulfillment of the Axis tripartite pact.

Meanwhile, Representative Dingell (D-Mich) told the House today he proposed to demand that courtmartial proceedings be instituted against four high ranking Army officers and the commander of the Pacific fleet for "what happened in Hawaii."

The detection of enemy aircraft over the strategically vital San Francisco area and the threat of an enemy carrier lurking off shore served as a realistic introduction for the report President Roosevelt has promised the country on the progress of hostilities with Japan.

Mr. Roosevelt's address — his first since the nation declared war on Japan—will be broadcast at 9 p. m., C. S. T. The speech, which the White House said would contain a "more complete documentation" of the war than has yet been possible, will be carried by all networks.

FILE NEW SUIT ON TAXI FIGHT

Driver Seeks to Have Ordinance Declared Unconstitutional.

An action to have the city taxicab ordinance declared unconstitutional was filed in Bartholomew circuit court today by Richard (Dick) Schmitz, local taxi operator, in behalf of himself and other public passenger chauffeur's license holders.

The action named the city of Columbus, Mayor Fred C. Owens and Chief of Police Clarence Everroad as defendants.

Schmitz, in the action filed by his attorney, Edward J. Morrison, charged that the city ordinance is unconstitutional, that it sets up a monopoly and grants special privileges, that it conflicts with state laws, and provides for unreasonable exercise of police powers.

The plaintiff alleges that the provision in the city ordinance requiring a person or firm to own and operate four or more cabs to be eligible for a city license, creates a monopoly.

Attacks on Tokyo, Kobe and Formosa Are Not Confirmed.

New York, Dec. 9 (AP)—Ford Wilkins, CBS correspondent in Manila, reported at 8:12 a. m. (CST) today that there had been unverified reports of bombing of the Japanese island of Formosa and the cities of Tokyo and Kobe.

However, the latest announcement of Japanese defense headquarters in Tokyo said there had been no air attacks on Japanese territory up to this morning.

The Italian people were following events with great attention, although most of them were unable to read of Japan's declaration of war until noon. There are no Monday morning newspapers in Italy.

Axis circles gave the impression today that neither Italy nor Germany would move against the United States immediately under the 3-power pact as a result of hostilities in the Pacific.

Authoritative political circles were silent, but Italian and German circles said unofficially that the attitude of Rome and Berlin for the present would be one of "watchful waiting."

New York, Dec. 8 (AP)— Royal Arch Gunnison, in a broadcast to WOR-Mutual from Manila, reported today that Japanese parachute troops had been landed in the Philippines.

He said native Japanese had seized control of some communities where they are thickly concentrated, but said that in other sections Filipino police were rounding up Japanese nationals and taking them to concentration camps.

Japanese warplanes early today bombed Davau on the Island of Mindanao, a town in northern Luzon, and Clark Field, largest army air base in the Philippines, Bert Silen, NBC correspondent, reported in a broadcast from Manila.

Some Casualties Reported.

Silen said that the attacks, which had been confirmed officially in Manila, had caused some casualties, with some estimates of fatalities as high as 50.

He emphasized that Manila itself had not been raided, contrary to reports abroad, but said that Camp Ord, 100 miles north of the city and not far from Clark Field, had been attacked.

Silen also said he had received confirmation of reports that the Pan-American Airways base at Guam had been attacked by Japanese air raiders who set large fires in gasoline stores.

Thirteen Japanese planes participated in the raid on Davau, which took place at 8 a. m. (7 p. m. EST Sunday), Silen said. He reported that a Japanese aircraft carrier had been sighted off Davau bay.

The correspondent said reports were circulating in Manila that an American transport had been sunk 1,600 miles from Manila but that the reports had not been confirmed by army or navy officials.

CITY TAKES QUICK ACTION TO GUARD DEFENSE PLANTS

Mayor Urges Cooperation of Public—1 A. M. Curfew Is Planned.

TO FORM SPECIAL FORCE

Streets to Cummins Plant Are Barricaded in Move Against Sabotage.

Columbus city officials and defense industries moved swiftly today to check their anti-sabotage defenses and to set up organizations capable of coping with any destruction which might be attempted as a result of the war with Japan.

Among steps taken at local factories was quick erection last evening of street barricades around Cummins Engine company. The barricades were put up at 5:20 o'clock by city and plant employes. Their erection blocked off the plant to all outsiders.

City officials today announced that all persons on the streets after 1 a. m. at night who are not transacting business will be stopped and questioned. They also announced that plans are being made to organize a force of civilian volunteers to cooperate with the police department. This organization will be formed by the police department and Mayor Fred C. Owens and its members will be sworn into police duty.

Rules Announced.

Mayor Owens asked the cooperation of every local citizen in calling police attention to any suspicious character or act that might hint of sabotage, while Chief of Police Clarence Everroad issued a set of rules and regulations to be followed in the vicinity of the city's factories.

Chief Everroad, in issuing the rules, made the following statement:

"Cooperating with state police and federal law enforcement agencies, city law enforcement officers are asking the aid of every citizen in this emergency through observance of restrictions laid down by this department.

"Due to the fact that several Columbus factories are working on defense products these measures will be enforced."

The following rules were set forth by Chief Everroad, with approval of Mayor Owens:

1. Do not park your car or loiter around any industry, power or filter plant.

2. Parking in such areas will be restricted immediately.

3. All persons on the streets after 1 a. m. who apparently are not transacting business will be stopped and questioned.

4. All citizens are urged to co-

A fence will be erected around the Cummins plant as soon as the materials are available and the job can be placed under way. The plant is furnishing special police to guard the present street barricades.

City officials have contacted all local defense factories, Mayor Owens said, and asked them of what assistance the police department might [illegible]e. He declared that the police radio car will make a regular tour through the defense area of the city, adding that both the city police and fire departments have been placed on the alert.

Mayor Owens pointed particularly to the assistance that every Columbus citizen can give by being awake to suspicious actions and by being willing to do everything they can to help during the emergency.

Charlestown Heavily Guarded.

The move to prevent sabotage of key defense plants was statewide today and Governor Schricker ordered "extra precautions" be taken by state police and defense plant officials.

The world's largest smokeless powder plant at Charlestown, Ind., was under doubled safety measures and plant guards received secret instructions for protecting the $150,000,000 area. All movements of powder from the plant will be in secret, officials announced.

Don Stiver, superintendent of state police, told Governor Schricker in a rush-meeting last night that pre-arranged protection of two Indianapolis industries—Allison's and Curtiss-Wright—already had been invoked. The Allison division of General Motors manufactures liquid-cooled airplane motors and Curtiss-Wright makes propellors.

Stiver, after conferring with Governor Schricker, ordered state police to "be on the alert" and to pick up "suspicious persons around power and communication lines."

"Due to the present emergency," Stiver said, "the Army and Navy departments have called on all agencies to be on the alert for sabotage. Indiana state police are ordered to give special attention to the problem and to pick up and hold for investigation all suspicious persons around power and

Others from Columbus Believed With Fleet in Pacific.

At least one service man with a local connection was stationed at one of the Pacific air bases under the fire of the Japs in the outbreak of the war yesterday, and several others from here are believed in the war area.

Ed Whitcomb of Hayden, brother of Mrs. Sidney Showalter of this city, is stationed at Clark Field in the Philippines.

He was believed safe today from a report that came through from Manila stating that the field had been bombed but that little damage had been done and no casualties suffered. Whitcomb was recently transferred to Clark field as headquarters navigation officer and assistant navigation officer for the 19th bombardment squadron. In a recent letter home he expressed the belief his unit would become headquarters for the Philippine Island bomber command.

Cummins Engine company has a dealer in the Philippine Islands, but so far as could be learned today there are no local representatives of the company located there at this time.

Captain Wendell P. Rynerson, and Paul Scheldt, son of L. J. Scheldt, 727 Cottage avenue, are also in the islands.

Mrs. John Rynerson, 712 Lafayette street, said today she had not heard from her son, Wendell, who is in Honolulu, for the last two weeks. His wife and daughter, who recently joined him there are living in the suburbs of the city. Due to poor housing conditions they were forced to live in a hotel for six weeks after their arrival. Mr. Rynerson is located at Ft. Weaver near Honolulu and was allowed to spend evenings with his family and occasionally a weekend.

Paul Scheldt is a member of the Sixth pursuit squadron of the Army air corps, stationed at Wheeler Field, Hawaii, which is in the locality of Japan main attack.

Mr. Scheldt, quite concerned about his son, told The Evening Republican that he had received no word from Paul and did not know of any way to communicate with him.

Recently Promoted.

He received a letter from him a few days ago, which was written Nov. 24.

Scheldt has been stationed at Wheeler field the past two years. He was recently promoted to the rank of staff sergeant.

Great Britain Declares War Today; Tokyo Sees Smashing Victory.

'CHUTE TROOPS DROPPED

Enemy Lands Forces in Philippines from Air—Singapore Hit.

Great Britain formally declared war against Japan today as Imperial Tokyo headquarters claimed smashing naval and air victories over the United States and mighty forces of the U. S. fleet were reported combing the Pacific to seek battle with Japanese warships.

Some observers believed it was possible American warships had already met the Japanese naval forces in battle somewhere between Hawaii and the Philippines.

Japanese parachute troops were reported landing in the Philippines.

Tokyo newspapers carried unofficial reports that the two U. S. battleships reportedly sunk were the 29-000-ton Oklahoma, built in 1914, and the 31,800-ton West Virginia.

Violent Assault in Singapore.

A British communique said Japanese air raiders killed 63 persons and wounded 133 today in a violent assault on Singapore but that Japanese troops were being "mopped up" in an attempted land invasion on Malaya from the north.

The German news agency DNB said in a dispatch from Tokyo that Japanese planes had also sunk two British cruisers in the attack on Singapore.

Imperial headquarters, in an announcement broadcast by Domei, said two battleships and a minesweeper had been sunk, four heavy cruisers damaged, many merchant ships seized and scores of planes destroyed aground and in the air in Hawaii and the Philippines.

The communique said also a United States aircraft carrier had been sunk by submarine off Honolulu "although this is not confirmed." United States navy officers in the Philippines denied a carrier had been damaged.

As far as naval losses went, the Japanese said they had escaped unscathed and they acknowledged the loss of only two planes in Philippine action.

Believe Warships Clash.

Some observers believe it is possible American warships had already met Japanese naval forces in battle somewhere between Hawaii and the Philippines.

One or more Japanese aircraft carriers, presumably escorted by strong naval formations, were reported to have engaged in the opening attack against Honolulu, and it seemed a fair conjecture

Not to Take Moscow Now

Berlin, Dec. 8 (AP)—A German military spokesman said today Adolf Hitler's invasion armies do not expect to capture Moscow this year.

A high command communique declared:

"The continuation of operations and manner of the war conduct in the east from now on will be dictated by winter."

MAY TAKE MEN OVER 28 YEARS

Local Soldiers Who Have Been Released Expect Call Back into Service.

The local draft board expects its problems of man shortage to be solved within the near future by an order to begin taking Class 1H men, those between the ages of 28 and 36.

The local draft office received no word from state selective headquarters today on any draft changes, but is expecting changes to be made in the near future in view of the need for additional men as a result of the war.

The board is going ahead with its plans to send five men to Fort Benjamin Harrison tomorrow for their final physical examinations. These men are slated to report at the armory at 7:15 o'clock tomorrow morning for the 1-day trip to Fort Ben.

May be Recalled.

At the same time that it looks as though the government will remove the 28-year-old restriction on draftees it also appears that men in this area who were released from service in the draft and national guard because they were 28 or over will be called back into service.

It was announced last night by the government that all such men were being called back to service in the Ninth Army corps, which includes the west coast states of Washington, Oregon and California, and it is believed by most of the released men here that they will be called back into service.

Notice was received today from Camp Shelby, Miss., that two Columbus men were among those to be released there. They are Private Robert Walker, son of Mr. and Mrs. Don Walker of Route 8, and Private Loren J. Volles, son of Mr. and Mrs. Clifford Volles, 1338 Franklin street. Both are

President Says in Message Two American Battleships Sunk.

3,000 DEAD, WOUNDED

Naval Forces of Two Nations Believed to Be in Contact.

Washington, Dec. 8 (AP)—Congress voted a formal declaration of war against Japan today after President Roosevelt requested immediate action as an aswer to Japan's "unprovoked and dastardly attack" on Hawaii.

A united Congress acted swiftly after the President had revealed that American forces lost two warships and 3,000 dead and wounded in the surprise dawn attack yesterday.

The Senate vote was 82-0.

The House vote was 388-1.

Miss Jeannette Rankin (Rep-Mont)., who voted against a declaration of war against Germany in 1917 was the lone member casting a negative vote.

Japan Claims Supremacy.

As Congress was acting, Japan claimed she had won naval supremacy over the United States in the Pacific.

The Japanese claimed in reports broadcast by the official radio in Tokyo that they had destroyed two American battleships and one aircraft carrier and had damaged four other battleships and six cruisers.

A DNB news dispatch from Tokyo said a U. S. transport had been sunk with loss of 350 men near Manila.

In his epochal message to Congress, President Roosevelt made no mention of Italy and Germany as he asked for war against Japan.

"I ask," the Chief Executive told a joint session, "that the Congress declare that since the unprovoked and dastardly attack by Japan on Sunday, Dec. 7, a state of war has existed between the United States and Japanese Empire."

Recites Events Since Attack.

He recited the events since Japan's assault on America's Pacific stronghold and said he had "directed that all measures be taken for our defense."

"Hostilities exist," Mr. Roosevelt asserted. "There is no blinking at the fact that our people, our territory and our interests are in grave danger.

"With confidence in our armed forces—with the unbounding determination of our people—we will gain the inevitable triumph—so help us God."

The President's assistant had said earlier that an American battleship had capsized in Pearl Har-

Cooling breezes blew into Indiana from Canada early today, breaking up the state's smothering heat wave and promising pleasant and sunny weather over the weekend.

The weathermen predicted temperatures Saturday and Sunday in the comfortable 80s, without the sticky showers that have made Hoosiers writhe in high humidity during the last few days.

Readings tonight should drop into the 60s for restful sleeping conditions.

Hello John,

How is everybody? Is Mary at home or on a trip?

Hal has had a lot of medical tests since January. He has breathing problems, but they cannot find out what is causing them. He has an appointment with an pulmonologist in May.

We noticed that there is a new monument on Martha's grave. Do you know who put the new monument on her grave? Just wondering.

of the Jackson circuit court, in vacation Saturday.

Wineinger is expected to be taken by Sheriff William Barkman to serve his sentence within the next day or two. His sentence came as the result of a confession obtained last week by Detectives Raymond Boll and Don Winn, of the Seymour state police post, which stated that he and Ed Johnson, now serving ten years in prison for burglary, robbed the grocery store of Ed Hayes on West Brown street last fall.

Wineinger was suspected by Julius G. Harlow, Seymour chief of police, when found in possession of a number of tools which he said he found on a dump. The tools were identified as having been stolen from machinery used in the construction of State Road 9 east of Seymour. Wineinger denied stealing the tools.

Charges Faced By Three Men

Intoxication Counts Lodged Against Three—Two Released to Attorney.

Charges of public intoxication against three Seymour young men were continued this morning in city court and two of them were released to their attorney, Edward S. Lustig. The third, Everett Fields, is being held in the city jail pending further investigation.

The two released are Sherman Helton and Raymond Beavers. The trio was arrested Saturday night by Seymour night police in the southwest part of Seymour for the alleged theft of clothing from a car belonging to Jackie Davis, of Medora. Charges of larceny filed against them were dismissed this morning for lack of evidence.

Davis and Catherine Manuel, prosecuting witnesses in the case, were being held in the Jackson county jail at Brownstown on other charges and were brought to Seymour this morning in separate automobiles for questioning in connection with the case.

CHILD'S RITES TODAY

Bedford Child Fatally Hurt In Mishap.

Funeral services were to be conducted at 4 o'clock this afternoon for William Jesse Owen, eight-year-old son of Mrs. Ruby L. Owen, of Bedford, who died Friday morning of injuries sustained thirty minutes before when a bicycle on which he was riding was struck by a car driven by Mrs. Hazel Wood, wife of Charles L. Wood, of Bedford.

Mrs. Wood, a former Seymour resident who was formerly Miss Hazel Stanfield, was exonerated of all blame in the crash, testimony showing that the lad rode his bicycle into the path of the Wood machine.

Christian Church, and the Rev. S. J. Cross, pastor of the First Methodist Church, offered prayer.

Musical numbers were provided by representatives of the Trinity Methodist and First Methodist Church choirs. Misses Carol Dena Miller and Catherine Borcherding sang a duet, representing the Trinity Methodist Church and Mrs. Arthur Phillips sang a solo, "The Holy City," representing the First Methodist Church. Miss Dorothy Brown, of the Trinity Church, was accompanist.

The Rev. Mr. Martin's address was an inspirational one that was enjoyed by a large congregation.

"The menace of Fascism and Communism is threatening the life of the church of the world but it matters not which wins in the conflict in Europe as both are opposed to the Christian Church," the speaker stated.

He emphasized the fact that the church, to hold a place in society must serve the needs of the world. "We are faced with the proposition that we must serve or die. Society does not tolerate an institution that does not justify its existence," the Rev. Mr. Martin said.

The speaker said that Protestantism must unite or perish and pointed out that the present 240 branches of Protestantism are a scandal. He said the Protestant denominations must unite their strength to combat the enemies of the highest and best things in civilization.

The Rev. Mr. Martin closed his address by charging the church with doing three things: first, it must give to life direction; second, it must give to life a cause and third, it must bring to life comfort.

Bombs Thrown In 2 Theaters

Vonderschmitt Houses In Bedford and Bloomington Scenes of Incendiary Acts.

Two theaters belonging to Harry Vonderschmitt, of Bloomington, owner of the Vondee Theater here, were the scene of incendiary bombings while they were packed Saturday night.

Joseph Store, age twenty-eight, of Detroit, Mich., is being held by police at Bedford after the bomb exploding there caused a near riot. After being taken to the Bedford city hall for questioning, he was spirited away to the Lawrence county jail for safe-keeping when a large, hastily formed crowd filled the yard before the hall and shouted threats.

Almost simultaneous with the Bedford explosion, three incendiary bombs were fired in the Indiana Theater at Bloomington. There a large audience remained orderly despite flames from the

trict conference of the Nazarene Church held at Bloomington.

Assignment of the pastors was made Sunday at the closing session of the conference by the Rev. J. B. Chapman, general superintendent.

Other assignments of interest to local members of the church and to acquaintances here are: the Rev. E. M. Sutherland, of Seymour, to the Brownstown church; the Rev. Enos Haggard, to the Crothersville church; the Rev. L. O. Green, former pastor of the Seymour church, to the Evansville charge; the Rev. James Morris, of this city, to the Kurtz Church and the Rev. Ira W. White to the North Vernon Church. The Rev. Mr. Morris is the son of the Rev. W. C. Morris, of Chicago, who formerly was pastor of the Seymour church.

The Rev. Mr. Bouse, since becoming pastor here, has enjoyed success in his work and has made many friends throughout Seymour and the county who are glad to learn that he has been returned here for another year. He succeeded the Rev. Mr. Morris when he was transferred to Chicago. The Rev. Mr. Bouse

The bullet entered the temple above the right ear and emerged from the top of the dead.

* On Nov. 7. James Baker, an old soldier, died at his home o. blood poison, and was buried in the Stringtown burying ground on the 8th. He was 76 years old and served in the Union army during the war. He leaves a wife, one daughter and two sons to mourn his death. They have our sympathy.

Subject: Re: BAKERS, ADAMS, SCARBER/SCARBRO/ & BRYANT
Author: CFreriks
Date: Tuesday, September 13, 2005
Classification: queries
Surnames:

James Baker who married Katherine/Catherine Scarborough was a brother to my great grandfather, Jefferson Baker. I am so anxious to find information about this couple, their descendants, etc. I have the pension files of James when he applied for a pension from his service in the Union army during the Civil War. The children listed for them are: Louise, Mary, John William, Cris, and Jacob. I have that he was discharged from the army on July 10, 1865 and married Katherine on Dec. 29, 1865. Also have that he married a Mary ??? on Aug. 13, 1913. He died Nov. 7, 1915. Does this correspond with the information you have? I would love to hear from you. Connie (Baker) Freriks
I realize it has been a long time since your original query on this board, but here's hoping you still check it.

COMPANY "H"

Company H appears to have been recruited primarily from Garrard county, KY. Research shows most men were enrolled August 4, 1862, and muster took place August 16, 1862. This recruitment and rapid muster was most likely due to the success of Morgan's Raiders into Kentucky about that time.

Mr. Cobb has finished his job of rock breaking on the Fall Lick pike and moved from W. H. Furr's on the pike to a new job near Buckeye.

Rev. A. C. Baird received an unanimous call on Saturday Nov. 13th, by the Good Hope church to the pastorate for next year, which will make about 10 years that he has had the care of the church and it has flourished under his care.

It is reported that Mr. S. L. Baird has sold his farm to Mr. Peters for $3000 and that Mr Baird will move to Berea to engage in his chosen profession of teaching. We regret to lose so good a neighbor and citizen from our community.

TO MAKE DANDRUFF QUICKLY VANISH.

No one likes dandruff, but to get rid of it you must do more than wash your hair. The cause of dandruff lies not in the hair, but on the scalp and in the hair roots, and just as twice daily you use a germicidal tooth powder or cream to cleanse your teeth of germs, so you should use Parisian Sage twice daily to drive dandruff from your scalp, prevent its return, protect your hair from falling out and nourish its proper growth. Dandruff makes your hair fall out. Parisian Sage makes Dandruff fall out
